THE TRADE IS FLYING, not quite the power and quality of Cattle today compared to 2 weeks ago overall but once again the Bullocks at Shrewsbury **AVERAGED** over 253p, with the overwhelming majority of these being Dairy Bred!

Top of the trade for Steers was £1540 on 3 separate occasions for 3 different Vendors, firstly for Angus from RM Thelwell for a 16mo 580kg Bullock, R & EM Lightfoot's 19mo 590kg Angus Steer the same price, then came the 13mo Limousin from G & M & A Jones from Llanfair Caereinion a tremendous 490kg at the top price £1540. Heifers were topped by the same Vendors at £1590 (515kg) for a 17mo machine! Charolais to £1495 (490kg) from R & EM Lightfoot, best Blues to £1450 (485kg) for the first Cattle in the ring from Messrs Corfield-McCowan, a yearling Blue Steer from this great home achieved £1255 (415kg). A Tremendous pen of 5 Charolais Steers at 14mo from RG & RE & RG Jones were a pleasure to sell at £1255 (420kg).

Heifers were slightly harder to sell this week than a fortnight ago with a few more middle of the road and plainer types on offer but the quality were a flyer to £1590 as mentioned above. Other prices of note were £1550 (540kg) for 19mo Blues from Messrs Corfield McCowan, £1490 (550kg) for 17mo Charolais from IJ Faulkner. Dairy Bred Blues from WG Bright of the Robury Ring £1350 (520kg), £1320 (520kg) for Angus from RM Thelwell.

Within the audience today there was also a flicker of interest from Seasonal Buyers looking for longer term Cattle to finish over the Winter or turn out next Spring 10mo Angus Steers from Summerfields Holsteins sold to £980 (405kg) other long-term Angus's 375kg to £975. Get these Cattle tested and presented for sale soon as possible before the main rush of numbers come forward nationally in the next couple of months.

Top premium for Steers was 323p (1180) for 16mo Charolais from RJ & GD Talbot of Whitmore Staffs in all 7 bunches over the 300pk. The top price Heifer on the day topped the section premium from G & M & A Jones at 308p or £1590 for a 17mo Limousin. A potential Christmas Champion (if you can get it halter trained) from TH & ME & SH Jones of Dolanog achieved 298ppk (440kg).

STORE SHEEP /BREEDING EWES

A cracking entry of store sheep this week, with more on offer in all sections, met by a roaring on everything.

More lambs today towards 700 with much more interest with plenty of the feeding men looking to fill up. Top price today went to Delves & Co who had two pens of Texel x lambs at £100, with Charolais from Brian Pryce selling to £92, and Tom James selling his usual quality to £91. Plenty of quality lambs in the £90's with any amount of small grazing lambs £80+. Tup lambs a proper trade also with no discount whatsoever with John Phillips selling Suffolks to £90. Very little below £75 really other than the odd pen of Welsh tups or cross bred types. Now looks to be the time to start cashing these lambs, if you have lambs to sell, please do get in touch. There is plenty of grass, plenty of demand and plenty of trade.

Ewe lambs kicked off at a very decent trade also selling to £127 for a smart pen of Texels from JH Hockenhull, with Barry Llewellyn selling his quality Texels at £125 and £122. Smaller running lambs a serious trade also with Welsh mules and Scotch mules both to £106 for sharp headed types.

Breeding ewes a proper trade for what was on offer. A smart run of Texels from JH Hockenhull peaked at £250, £240 and then at £220, all for Texel mule yearlings. A tidy run of Texel Mules sold to £190 from Pete Lowe while NC Mule yearlings sold to £182 from George Webster, with similar ewes to £181 from AV Brown & Co. Older ewes saw 2yo Suffolks to £168 with Mark Roberts's 2yo Mules to £178, and 2yo Texels to £187 from JH Hockenhull. All breeds represented in today sale with an abundance of Zwartbles selling to £124 with Border Leicester's to £152.

Overall, a great day's trading, more numbers needed in all sections for next week, with store lamb demand hotting up, get them booked in!

Thursday night saw Shrewsbury livestock centre hold their 2nd annual evening ram sale. With just over 100 tups present. And a blasting trade throughout all in all we received an 96% clearance. People had definitely come to do business. There were rams of all breeds and rams to fit all budgets. Topping the evening was a Suffolk yearling ram from the Brown family Fairview at £700. With plenty of the higher end texels releasing £600 or over. Charollais rams peaked just shy of £400 from the Savage family.

All in all, it was a good sale plenty of choice and plenty of buyers. This is a sale that will grow and grow year on year so watch this space.
