AUCTIONEERS FOREWORD

Halls are delighted to be favour with the final dispersal for the Elkin Family who have been selling through our weekly sales throughout 2023.

This consignment of in calf Heifers and Bulling Heifers marks the conclusion of Dairy Farming at Hall Farm. Ben, Margaret, Ben and Henry have been great supporters in Shrewsbury since I started here in 2017 firstly buying for their flying herd then for the heifer rearing enterprise and regularly selling.

Due to staff shortages they have decided to restructure the business and therefore the sheds are full with rearing calves and beef cattle leaving no room at the in for Calving heifers and hence they come up for sale. Young Ben has bought at various dispersals with some very appealing breeding throughout the catalogue.

The Heifers are in calf to Beef Shorthorn and Blonde bulls and have been PD'd by the Vet, all pregnancies over 10 weeks are warranted, this warranty valid for 35 days from the sale date
