STORE SHEEP /BREEDING EWES

Another rip-roaring trade in the sheep department with the only trouble being the lack of numbers to satisfy demand. 700 lambs on offer today saw ewe lambs to at £158 for some very smart Poll Dorset's from Kate Oakes while smart Charolais ewe lambs sold to £119 from Brewster Farms. Welsh mule ewe lambs from David Unwin sold to £102. Clean store lambs reached £100 from Brewster Farms for Texels while any number of lambs traded £90+ with an overall average of £85.50 for store lambs and £90 for ewe lambs. Rachel Ford sold her smashing bunch of Texels to £97 as did Tim James for his Charolais, while Dot Penlington was close behind at £96 for Texels.

Growing lambs sold well at £86.50 for a good run from CL Price while the smaller they got the dearer they got with many of the long-term types £75+ with seldom anything below £60. More and more lambs needed for the next sale, please do get in touch.

A sprinkling of breeding ewes sold to a very decent trade also with young Charolais from Brewster Farms to £153 while FM Suffolks traded to £154 from Emily Giles. Older ewes traded either side of £100 depending on condition.

Overall, the store sheep trade remains electric, sheep needed, particularly store lambs for the next sale on 23rd November.
