STABILISER PRODUCTION SALE

Halls were delighted to received instructions from Cherrington to hold a production sale of 75 Stabiliser and Stabiliser X Cows in calf for Spring 2024.

The cattle were correct and full of power which attracted a large about of interest and 20 individual buyers were successful on the day with just as many if not more going home empty handed. The were a delight to sell, peaking at £1950 for a 2020 born cow in calf to Big Walcot Rocco. Next in the prices was a big Black Cow x bred cow born in 2016 in calf to Walcot Black T-Bone, a further 5 cows sold in excess of 1800 for cows from 4 to 6 years old. With the exception of a handful of older cows each and every cow achieved strong prices achieving £1300+, the old girls and flighty cows sold from £880 to £1150, vitally every cow on offer was sold to farmers to breed and nothing going to feed.

The overall average for the cows returned at £1443.
