DANGEROUS ANIMALS

Please do not bring any cattle into the market which you know are dangerous or uncontrollable. We cannot accept liability for any such animals, if they break out of the market whilst they are being unloaded or transferred to their pens. Because the market is located in a town the potential damage that can be caused by an 'escaped beast' is enormous, and we would ask owners of these animals to consider carefully if they are safe to bring to a public place.

GUIDANCE ON BIO-SECURITY AT MARKET

2. Clean rubber boots and waterproofs must be worn and disinfected prior to entry to animal penning area.

6. Vehicles unloading stock must disinfect trailer/lorry wheels prior to exiting market. However, any trailers returning to pick up unsold stock will first need to cleanse and disinfect on the lorry wash.
7. All livestock must be removed from the premises on the day to allow cleansing and disinfection of site by market staff.
8. Please note that movement of animals back on to the farm will trigger the 6 day standstill on storestock and fatstock off movements.
