SALE NOTES

This sale is to form part one of a two day dispersal sale on instructions from Messrs SA & E Friswell. Although Stephen and Elaine are not retiring from farming, they have decided to streamline the way in which they manage the grassland farm, in addition to running their other on farm diversifications.

West Farm has been farmed by the Friswell family since 1940 when the late Arthur Friswell took on the tenancy. By the 1970's, Stephen began his farming career in partnership with his late father Sid.

The commercial herd of suckler cows was established in 2008 after the vendors gave up milking and since then they have sold suckled calves each autumn at both Rugby Farmers Mart and Shrewsbury Market, winning numerous prizes with their home bred calves over the years. The calves show excellent growth and shape, some with show potential.

Halls of Shrewsbury have kindly offered to Stephen and Elaine the provision of MartEye for the sale to enable potential purchasers to bid online. Please see the advert published in this catalogue for details on how to register to bid.

Part two of the dispersal will be held at the farm on Saturday 1st June and will be a most interesting machinery and equipment sale to include Massey Ferguson Tractors, Telescopic Handlers, Excavator and general livestock and farm equipment. Outside lots are invited and a separate catalogue will be available.
