Auctioneers Forward

Halls are honoured to receive instructions from J S Latham from Newton Hall, Malpas to disperse their “Oldcastle” herd of Aberdeen Angus Cattle on Tuesday 3rd December 2024 at Shrewsbury Auction Centre. The sale will precede the regular sale of Weanlings. J S Latham established the Angus herd following the dispersal of the Dairy Herd 15 years ago. The cattle are 100% grass fed, without any supplementary feeding.

All cattle have had iodine bolus'd. The herd is Lepto, BVD and Blackleg vaccinated. The herd are bred for easy calving. Quality Aberdeen Angus cattle like this do not come onto the market very often, the cattle can be used as show cattle or high-quality breeding cattle. There have been no confirmed TB cases on the farm. Since 2010, the farm has been a closed herd.

THE TB DATE: 11th NOVEMBER 2024

We look forward to seeing you on the 3rd December 2024
