On Thursday 12th December 2024, Shrewsbury Auction Centre once again proved why it is the trusted destination for Store Cattle Sales, delivering exceptional results for both Vendors and Buyers. With a fantastic selection of Cattle on offer, the day saw competitive bidding and record-breaking prices, leaving everyone in high spirits. Whether it's Steers or Heifers, of any type, breed, age, or weight, Shrewsbury continues to lead the way in offering value and results for all.

A total of 94 Store Steers went under the hammer, with prices reaching an impressive 368 pence per kilo for a 19-month-old Limousin x from M&K Brown. The highest price per head was an outstanding £1,770, achieved by a Charolais x from WV Davies & Co. Steers averaged a Centre Record of 304 pence per kilo or £1,505 per head! Vendors were left delighted with the excellent prices secured across the board!

The Heifers followed suit, with 77 sold on the day to equally enthusiastic demand. The top price per kilo was 342 pence for a Limousin x from DW Capewell, while the top price per head was £1,600 for a well fleshed 19-month-old Charolais x from SI & ML Griffiths. Overall, store Heifers averaged another Centre Record of 287 pence per kilo or £1,405 per head! These results underscored the strength of the trade with the typical Shrewsbury quality on offer with Sucklers, Dairy Bred, Continental and Natives all in the mix.

When it came to top prices per head, there was no shortage of highlights. Charolais and Aberdeen Angus Steers stole the show, achieving £1,770 and £1,765 respectively. Saler, British Blue, Limousin, and Stabiliser breeds also delivered standout results, with prices consistently exceeding expectations. Among the Heifers, Charolais x achieved £1,600, followed by Aberdeen Angus and Limousin x both reaching £1,580. British Blue and Blonde Heifers rounded out the top prices, with Vendors thrilled by the market's performance.

The breakdown of breeds revealed some particularly strong performers.
