VENDORS FOREWORD

The Parkland at Apley Estate has been home to a suckler herd for many years, originally a Hereford herd and since the 1980's a commercial herd of mainly continental cross dairy cows has grazed the parkland and other grassland on the estate.

The herd is spring calving, in a 12-week block from March 1st 2025 and the progeny have been sold as both stores and finished cattle in recent years. The sires used are Limousin, British Blue and British Blue x Limousin. The 2023 crop of bull calves averaged 631kgs liveweight at 431 days, yielding a 392kg carcase and the grades were 14% E, 62% U and 24% R.

Apley Estate entered a Higher Tier Stewardship Scheme in January 2024, with the focus being the restoration of 300 acres of Parkland, unfortunately we are not allowed to supplementary feed the cattle at grazing under the management prescriptions of the Scheme. Despite reducing the number of cattle in the parkland by 20% for 2024, we found the restrictions to be incompatible with the requirements of the herd.

This has led to the difficult decision to sell the herd, which is for sale through no fault of its own. The herd is vaccinated for Leptospirosis, BVD and IBR, and treated for Fluke at housing.

I look forward to seeing you on the 18th January.

AUCTIONEERS' FOREWORD

Halls are honoured to receive instructions from Apley Farms, Shifnal to disperse their Suckler herd on Saturday 18th January 2025 at Apley Home Farm, Shifnal, TF11 9EL.

This sale represents a fantastic opportunity to purchase well managed mainly continental x suckler cows. The bulls went in with the cows on the 17th May 2024 and have been vet checked and are PD+ due to calf within 12 weeks from the 1st March 2025. In calf to British Blue and Limousin X Bulls. In 2024 70% of the herd calved by the end of March with only 6 assisted calvings.

Technically these cows have huge potential, with exceptional results being achieved the 2023 born bull calves. As detailed in the Vendors foreword.

This profitable herd of Suckler Cows is for sale through no fault of its own as the estate is entered into a Higher Tier stewardship scheme with parkland restoration which restricts supplementary feeding. As a result, the herd cannot operate efficiently going forward and the tough decision has been made to disperse, presenting a great commercial opportunity to secure animals in full production this spring.

We look forward to seeing you at Apley Home Farm on Saturday 18th January.
