Another whopper of a trade in the barren ring this week with vendors making the most of the £20 commission cap and the current cattle trade. Plenty of Friesian Cows on offer this week with lots of quality sized cows, nothing under 500kgs and only one beast under 200ppk / £1,213.60.

A Good Show of Younger Cows

from 3-6yr Old Friesians, all weighing over the 700kgs mark selling from 200 – 240ppk / £1,412 – 1,689. With cows topping at 244ppk / £1,712 from M & J. C. Gould, Grange Farm and to £1,737.06 / 221ppk from G. P. & J. H. Mountford, Lower Heldre. Friesian Cows averaged 223ppk / £1,551.

Surely the best trade of the year if not ever!! These calves rise another level and the beef trade really does justify this and the best although look far more money than 12 months ago, they come to far more at the end of the line! Bulls topped at £560 for the great run from Richard Bowdler for his smashing Blue with others close behind at £550. Blues again from RB Evans sold to £510 with

Bowdler Farms selling to £500. The top ten blue bulls all over £475 with 9 calves selling over £500! Simmental bulls from Mark Edwards to £430 with Lik bulls to £425. The best for the Herefords to £340 on several occasions with the best Angus to £400 from JGP Lewis, Aberystwyth. Friesians looked a serious trade also to £220 from RB Evans and others to £215.
