Decent numbers again this week but still more and more needed. Trade continues on its upward spiral with plenty of demand right across the board. The beef trade continues to improve, and the calves looks the cheapest way into the job.

The best young calves sold to £524 for a lovely blue bull from Richard Bowdler who had others to £500. Bowdler Farms

were then in line at £480 for similar goods with Charolais bulls from Peter Lloyd also at £480 and £472. Angus bulls hit £325 from Tim James with others to £315 while small Herefords traded to £225. The best of the young Friesians to £270 with all black and whites averaging well at £119.

Heifers were topped by Blues from Bowdler Farms at £452 and £448 with Charolais to £448 from Peter Lloyd. Several hit £440 from the Bowdler brothers, with all blue females averaging £347. Native heifers topped at £280 from Tim James with several other to £275 from Mr Astley.

A handful of reared calves penned in this section roared to a serious trade with bulls to £680 and heifers eclipsing this at £760 all for Limousins from Jim Corfield.

Overall, the trade looks sharp as does the industry. Plenty of demand, with lack of numbers dictating terms. Please get in touch if you are looking to buy or sell.
