Less about this week and trade responding in accordance resulting in a real flier. Blue bulls have never been dearer and averaged £430 all through to a high of £572 from Richard Bowdler who also had bulls at £575 and £550. Numerous bulls £500+ with Simmentals to £540 from Mark Edwards. All bulls were in hot demand whether native or continental with Limousins to £485 from PT Stinton, Charolais to £475 from Rob Adams, while Hannah Edwards sold

her Angus bulls to £455 with Herefords to £400 from RP & SR Williams, all of which are for just 4-week-old calves. Second and third grade calves have jumped up in values at the same rate with very little below the £300 mark. Friesian bulls to £226 and £190 for well-shaped types.

Heifers carried on the same trend with well-bred Angus types to £510 from Charbri with strong Herefords to £500 from the same home. A quality run of blues from Richard Bowdler sold to £498 with another great run from Ms Roberts, Wain House Farm sold to £492, with blue females returning an average of £390 and ten blue heifers' top side of £450. Charolais heifers sold to £380 from Rob Adams while Simmentals from the same home realised the same price. Some fantastic Beef Shorthorn heifers from Alan Watkins sold to £400.

Overall, a fantastic trade from start to finish, demand remains sky high and future returns look optimistic. If you are looking to source calves or looking to sell, please do get in touch to see how we can assist you.
