

REPORT FOR THE STORE CATTLE THURSDAY 13TH MARCH 2025

🔥 RED HOT TRADE – RECORD AVERAGE PPK SMASHED AGAIN! 🔥

Quite frankly, the job has never been better

What a day at Shrewsbury as 280 Cattle flew under the hammer at prices not seen before! From suckler-bred powerhouses to Holstein Steers, Jersey crosses, and the short-grown sorts, every class was met with phenomenal demand.

Steers were a staggering 20ppk dearer than just a fortnight ago, with a surge of Buyers battling it out from start to finish. Topping the trade was a cracking Limousin Steer from S & A V Richards, weighing 605kg and smashing through at £2,480. The Heifers weren't far behind, as James Davies' show-stopping Aberdeen Angus Heifer tipped the scales at 675kg and stormed to £2,360.

The Store Steers were on fire, averaging 372ppk or £1,664 per head, with some truly eye-watering highlights. D H Jones led the pence per kilo charge at 453ppk with a Blonde, while R & E M Lightfoot's Charolais wasn't far behind at 452ppk. T M Morgan's Limousins flew to 443ppk, and R J & G D Talbot's Aberdeen Angus made an impressive 422ppk.

For those seeking the headline numbers, James Davies' Charolais soared to £2,300, while his Aberdeen Angus made £2,050. J W & J Richardson's British Blue levelled at £2,050, and D H Jones' Blonde saw £1,990.

Store Heifers met an equally blistering trade, averaging 346ppk or £1,478 per head, with T M Morgan's Charolais Heifer leading the charge at a staggering 469ppk. S & A V Richards' Limousin reached 414ppk, while D H Jones' Blonde and R & E M Lightfoot's Aberdeen Angus both saw 383ppk.

On a per-head basis, James Davies' Aberdeen Angus took top honours at £2,360, while H P Price & Sons weren't far behind with a pair of Limousins at £2,080 and a pen of 6 Simmentals at £2,040. N G Annandale's Hereford commanded £1,960, and P W Edwards' Charolais struck £1,950.

Not to be outdone, the Store Bulls had a field day, with J C Turner's Bull setting the pace at 395ppk, while J W Fawcett topped the section at £2,300. Overall, the Bulls averaged

356ppk or £1,712 per head, confirming that whatever class or type of Cattle you bring to Shrewsbury, they'll sell at serious money.

It's clear—Shrewsbury's Store Cattle trade is unstoppable. Whether you've got top-end suckler-bred beasts, dairy-bred sorts, or something in between, there's no better place to sell. Buyers are desperate for numbers, and with the next Store Sale on Thursday 27th March, now is the time to book your Cattle in.
