After this period the auctioneers will not accept any responsibility for resolving any dispute. Within the time period, the purchaser can, at the vendor's expense return to the vendor any beast or alternatively claim from the vendor any premium lost as a result of the vendors inaccurate description of the animal's documentation.

DANGEROUS ANIMALS

Please do not bring any cattle into the market which you know are dangerous or uncontrollable. We cannot accept liability for any such animals, if they break out of the market whilst they are being unloaded or transferred to their pens. Because the market is located in a town the potential damage that can be caused by an 'escaped beast' is enormous, and we would ask owners of these animals to consider carefully if they are safe to bring to a public place.

GUIDANCE ON BIO-SECURITY AT MARKET

7. All Livestock must be removed from the premises on the day to allow cleansing and disinfection of site by market Staff.
8. Please note that movement of animals back on to the farm will trigger the 6 days stand still on store stock and fatstock movements.
