

REPORT FOR THE STORE CATTLE THURSDAY 19TH JUNE 2025

142 Store Cattle

A small show of Store Cattle today which met a very busy ringside with a number of Buyers going home empty handed, more Cattle if you can please!!

It is well documented that the beef has come back a bit and that the grass is starting to run out.... But the trade for June Cattle is simply the best it has ever been, we are a long way from the first draw and they are selling to spirited bidding from the word go, particularly Angus and Hereford Heifers today in strong demand!

Top of the shop were Limousins today from GH Williams achieving £2220 (355.20) at just 15mo! Others from the same home £2090(387pk). All credit to Messrs R & EM Watson of Hanmer whose 11mo Steer flew to £2000 (367pk). A very smart suckler bred Charolais from WV Davies, Trewythen achieved £1970 or 390ppk. The first time in a very long time we have not sold Cattle to over 400ppk but not the types on offer today to do it! A nicely fleshed Hereford Steer from S&B Lawrence of Treprenal flew to £1900 (368pk). A pair of Rangely Angus Steers from E Morgan, Brynderw looked very well sold at £1880 (372pk). Longhorns to £1810 (344.8) for S Mears. Both Dairy Shorthorns and Holstein Steers to £1560 or (306pk). Lots of 400kg Bullocks today Charolais, Limousins and Natives selling for £1350-1550.

Heifers were a wonderful trade, peaking at £2200(379pk) for Limousin from WS Powell & Sons, who sold Bazadaise to £2110 (373ppk). Angus and Hereford Heifers were just amazing to sell with spirited bidding from all angles of the ringside they consistently sold from £1600 to £1800 for WV Davies, Trewythen, and JR Edwards which maxed out at 364pk. Herefords to £1770 (365pk) for SG lee of Wolverhampton. The Angus Heifers in the non-tested section for HS Huxley Farms £1760 (359pk). Without doubt these native breeds were in the highest demand and pound for pound would have the greater margin over cost that their continental counterparts!!

There is a lot of talk about the effect of the Bluetongue rules for both our Welsh and English Vendors. Today we had 11 Welsh Vendors with Cattle to sell however Welsh Buyers we had a ringside of were unable to get started and not a single Beast has been sold to a Welsh Purchaser today. This suggests the rules will have a limited effect on the Bigger Store Cattle here at Shrewsbury, although I fear a greater impact in the Weanlings next Tuesday!! We will continue to advocate free trade and lobby the Welsh government to see sense sooner rather than later. Remember everyone is welcome at Halls Markets and we will always work with you to do business, sadly this is a situation outside of our control or common sense.

If you have any queries or concerns please do not hesitate to call, Jonny 07803 412617.
