

REPORT FOR THE STORE CATTLE THURSDAY 3RD JULY 2025

61 Store Cattle

A very small entry of Cattle this week for a number of reasons, perfect harvesting weather one, but the Bluetongue restrictions undoubtedly had the largest impact on numbers, those who did make their way to the Market were greeted by a massive ringside of Buyers and the trade much sharper than 2 weeks before!!

No big forward Cattle forward today with the largest beast on offer a 535kg Holstein Heifer with horns out of the Non TB Tested Section who achieved £1560 (535kg).

A really buoyant trade for all that were on offer with leading prices to 400ppk for JR Edwards & Sons Charolais Steer returning at £1860, Heifers also peaked at 400ppk for BN & ML Heatley's Simmental returning at £1560. The top price on the day £1920 (373pk) for a Blue Heifer from WV Davies & Co of Llandinam who also topped the steers at £1910 (386pk). Native Cattle were a pleasure to sell with Angus Bullocks from WH Lloyd achieving £1790 (480kg), Hereford Heifers sold to £1890 (363.5ppk), further Angus Heifers from JR Edwards to £1790 (515kg) and Herefords to £1780 (371pk) for GE Hollinshead.

Undoubtedly the trade on Cattle is completely unaffected by the new rules, it was probably increased by the short numbers, and we look forward to an increased entry at our next sale of Store Cattle on Thursday 17th July.
