Welcome to the 4th Annual Highlight Sale here at Shrewsbury, where we look to “Highlight” the very best genetics in the dairy industry here in the middle of the country at Shrewsbury Auction Centre. This year the sale provides opportunities for Fresh Milking Cattle, In calf Heifers, Open flush age Heifers and Embryo packages from some of the most renowned families in the world.

There are many exciting opportunities in the sale from most respected breeders in the UK, I don't wish to influence anyone's attention but a fresh Ashlyn with consecutive EX94 dams just 4 generations away from the great cow herself sired by Stanton's chief is surely a HIGHLIGHT. We also have a Jodie, who is just fresh and classified VG85-2yr, her Grand dam was Champion R&W at the Expo in 2014 and produced over 100 Tonnes of Milk!! You do not see many Zips in sales, here we have 2 unique opportunities for fresh milk and another (near) Perfect maiden Heifer!
