VENDORS FOREWORD

The Dilandy Herd was founded in 1981. The name derived from David, Isabelle, Lorraine and Andrew, the 4 members of the Shakeshaft family.

The already established British Friesian Herd was graded up using the noted bulls Ullswater Royal Sovereign, Barold Rock Seal, Briden Astro Jet and Flemingdale Roland. The cow families Begonia, Doreen, Eveline, Gema, Gladys, Kate, Pearl, Reenie and Susan were all born in the early eighties and are still prominent in the herd today.

In the early nineties the cow families Cindy, Bibby and Revue were introduced through purchases from Fulfordhall, Fieldside and sneyd Herds respectively.

The Dilandy Herd needed to change from 100% British Friesian to Holstein Friesian and this was achieved by using noted Hanoverhill bulls, Inspiration, Starbuck and Jethro.

Other noteworthy bulls were Hidden View Best, Boss Iron and Ocean View Zenith not to mention S-S-I Montross Duke probably the most influential bull that I have Used.

In 2009 Dilandy Debonair Tabitha Red was born, purchased as an embryo from the Luck E Herd. She also had two sisters from which you will find several descendants in the sale today.

Debonair Tabitha Red was sold as a 2-year-old to the Logan Herd in Scotland where she bred a total of 17 descendants. She was classified EX93 points and was Interbreed Champion Highland Show 2014 and Champion Red and White AgriScot 2014.

In 2010 the Kiwi and Kiki Families were introduced into the herd through embryo transfer and they also feature in the sale today.

I would like to pay tribute to my late father David for establishing The Dilandy Herd and for giving me the opportunity to develop the herd to the level it is today.

I would like to thank all our farm staff over the years for their dedication and hard work. Finally, a big thank you to all who have bought from us over the last 10 years since the first Dilandy Sale in January 2015. I hope that any prospective purchases today will realise true value in their new homes.

DILANDY DEBONAIR TABITHA RED EX93

AUCTIONEERS FOREWORD

Halls are delighted to received instructions from D & AC Shakeshaft to disperse the Dilandy herd at Shrewsbury Auction Centre on Tuesday 23rd September 2025.

The Dilandy herd is well known to many and has been a regular consigner in the Weekly Dairy Sales here at Shrewsbury since 2018. Andrews cattle have always been admired by the ringside, described by countless buyers as “cows which just pay bills!!”. The sale provides the opportunity to purchase 220 head including 67 In Milk and Dry cows, 68 In Calf & Served Heifers, 55 Bulling Heifers and 20 Heifer calves.

Since the dispersal of the milking portion of the herd back in 2015, Andrew has kept a small herd of roughly 50 milking cattle and utilising sexed semen he has sold his surplus milkers initially at Beeston and in recent years at Shrewsbury always presenting high quality animals which almost always take away rosettes from our show and sales. As a result of this selling Andrew the herd consists exclusively of 1st to 3rd Lactation Cows and Heifers with 40 individuals Fresh Since May this year. The cows are in great order, being Stylish Powerful Capacious and giving lots of milk, at the recent classification the herd scored 21 VG Cows 7VG Heifers, 14 GP Cows and 15 GP Heifers, not a single animal is the Herd classified below 80- points. The herd NMR currently shows the herd giving 32kg per day averages as:-

11466kg 4.40%bf 3.45%ptn 105cc

The youngstock are a picture, well grown with real style as you would expect with such attention giving to the breeding of this herd, using World Wide Sires and Semex. There a few bulls these days which have left a mark on a herd or a sale ring like SSI Montross Duke at Dilandy and in Shrewsbury! Style, power and Production they are a Dairymans Dream!

The herd is Cubicle House with access to grazing and buffer feed for all and milked through a Herringbone Parlour. The sale animals are Bluetongue vaccinated and will be licensed via and EXD597 for free movement in both England and Wales. The herd was TB tested on 4th August 2025.

We look forward to greeting many faces far and wide to Shrewsbury for this most important sale, which will follow our Monthly Show and Sale of approximately 50 Fresh calved cows and Heifers. If you cannot make it you can of course bid on Marteye.

It has been a pleasure to sell cows for Andrew over the years. I attribute a large part of the Shrewsbury Dairy Sections success to his loyal support for which I am extremely grateful. He will be a impossible vendor to replace.

TB Date 05.08.2025

I cannot recommend this Herd highly enough.

Jonny

VETERINARY REPORT

I can confirm that this high health status herd has been under the care of Blakemere Veterinary Centre for over 40 years.

The herd is fully vaccinated according to the following schedule with the most recent vaccination dates listed -

IBR 28/03/25 Rispoval Live

Lepto 03/04/25 Spirovac

BVD 03/04/25 Bovela

Johne's March 2025 Incidence low

Calves Vaccinated with Bovalto 4

Hope that's ok, let me know if you need anything further and best of luck with the sale if I don't speak to you before then.

Lauren
