

Shrewsbury Plant and Machinery Sale

Report Friday 15th August 2025

Halls Auctioneers report a sturdy trade had on Friday 15th August, with the hot weather and the change of date showing a slight impact on the sale, but a good show of machinery regardless. Some star lots entered, as well as a genuine dispersal bolstering the entry. Ending up with 201 x lots in sale 2 of machinery and 521 x lots in sale 1 of tools and sundries at a 70% clearance rate on all lots forward. Highlights of the sale include the 2011 Amazone KG300 Super Power Harrow & Amazone P1000 Disc Seed Drill at £10,000 followed by a 2017 Toyota Hilux D-4D with 92,250miles on the clock selling for £10,000 and then the 2020 McCasker Eng Trenchmaster Gravel Hopper Trailer at £8,900. A very handy 2007 JCB Mini Digger sold for £8,800 and then Several Vintage tractors forward topping at £4,600 for a genuine little Massey Ferguson 550 with MF cab, front loader brackets Reg No NFF 965S as well as very tidy Nuffield Universal selling for £1,200.

The second-hand machinery trade still staying as buoyant, different scales and sizes of machines suiting varying sizes of operations from the Smallholder Farmer to the Multi Machine Contracting outfits.
