

REPORT FOR THE STORE CATTLE THURSDAY 23RD OCTOBER 2025

148 Store Cattle

A small turnout of Store Cattle for this afternoon sale, due to the seasonal suckled Calves at Bishops Castle was met by an increased ringside of Buyers with a storming trade throughout. There was something for everyone today, with sucklers, forward Dairy Breds and those that were short for age due to the short grass supplies throughout the Summer. Top prices romped to £2600 for a 690Kg Limousin Steer from PE & B Bailey of Pantmawr, with the best suckled Calves on offer today selling to £497ppk or £1750 (350kg) for Partneriaeth Farms.

There was generally must improve demand around the ringside today with Herefords and Angus in particular demand from a number of seasonal Buyers. Angus Steers topped at £2040 (392pk) from Paul Mottershead, with Herefords to £2020 (357pk) for Pete Ravenscroft, 400kg Hereford Steers from Messrs Jones of Chelmick flew to £1470 (367pk). On to the Heifers Stretchy Suckler Bred Charolais Heifers from SI & ML Griffiths, Llanerfyl achieved £1910 or 411ppk others to 421pk for powerful Blue Heifers from D & L Bloor achieved £1890 (367pk). With Angus again topped by those out of Paul Mottersheads Dairy Herd at £1870 (367pk).
