IS IT SPRING??? WHAT A TRADE!!

We have never see demand like this in the autumn, top prices for the bullock raced away for £2690 434pk for a 21mo Blue Steer from Paul Mason of New Haven, with Angus from the same home achieving £2600 (382.4pk) In the Sucklerbred we were blessed with an Outstanding run of cattle from WH Howells of Llandinam his steers romped to £2520 (431pk) only be to outshone by his heifers peaking at £2660 (440pk) for Charolais and Limousin to £2500 (446pk) His 11mo Limousin heifers to £1750 (443pk).

Normally we see the longer-term cattle harder to place in the autumn but today the trade was fierce as ever with countless pens of cattle selling over 400ppk the actual average in Shrewsbury, where there are Holstein Steers, Native Bullocks and Heifers with plenty of Dairy as well as suckler Breds returning at 380ppk.... With prices this good it does make you wonder where they will be heading in spring!!

Our next sale will be half on Tuesday 20th November, please do not hesitate to book in your entries
