CONDITIONS OF SALE

- 1 The highest bidder shall be the purchaser and if any dispute shall arise between two or more bidders, the lot in dispute is to be put up again at the sum last bid or the Auctioneers may declare the purchaser.
- 2 The bidding is to be ruled by the Auctioneers who may, without giving any reason, refuse to accept the bid of any person.
- 3 No person shall retract a bid without permission of the Auctioneer, who reserve the right to himself of refusing a bid, and also the right of withdrawing any lot or lots from the sale.
- 4 The bidder may advance less at a bid than the sum named from time to time by the Auctioneers.
- 5 The purchaser must declare their name and address and if required to, pay the Auctioneer or his clerk the amount of purchase money immediately on the fall of the hammer. In default of which the lot or lots shall be offered again and resold, and under no circumstances must any lot be removed without first obtaining a pass from the clerk.
- 6 The Auctioneers reserve the right to charge Interest and Compensation on overdue accounts as allowed in the Late Payment of Commercial Debts (Interest) Act 1998 as amended and supplemented by the Late Payment of Commercial Debts Regulations 2002.
- 7 Title to each asset sold will only pass on payment in full by the purchaser.
- 8 The Auctioneers reserve the right of deviating from the catalogue either by amalgamating or dividing the lots, as circumstances may require and also by deviating from the order of sale.
- 9 The lots are to be under the immediate care of the purchasers who must take the same with all faults, imperfections and errors of description (if any) and remove the same at their own expense and risk, and no purchaser shall be allowed to remove lots from the premises until the whole of the purchase money is paid.

- 10 All statements contained in this catalogue as to the authenticity, genuineness, date, age, condition or quality of any lot are statements of opinion and are not taken as or implying, statements or representations of fact.
- 11 Intending purchasers must satisfy themselves by inspection as to all such matters as to the physical description of any lot.
- 12 Neither the Vendor(s) of any lot nor the Auctioneers make or give any representation or warranty as to fitness for purpose or the quality of lots sold.
- 13 If any lots are described at the time of sale as 'in working order' such lots shall have no defect which renders them incapable of the reasonable work for which they are intended and they must be capable of performing such work.
- 14 The purchaser is to make good any damage done to the premises by the removal or otherwise of any lot or lots.
- 15 The purchaser shall not be entitled to any right of "Set Off" against the Vendor or the Auctioneer.
- 16 In the case of lots upon which there is a reserve, the Auctioneers shall have the right to bid on behalf of the seller.
- 17 Upon failure to comply with the above conditions, the uncleared lots will be re-sold either by public or by private sale and the deficiency (if any) and all expenses attendant thereon shall be made good by the defaulters at this auction, who shall have no claim for any surplus that may arise.
- 18 The Auctioneers may rescind any sale within 3 hours of the final lot being sold if the lot has been sold under reserve.
