Please could all vendors ensure that TB Dates are stated and added to Passports for all calves that have been tested (whether or not they are 42 days of age or older) To ensure true value is maximised, please declare the sire of the calves particularly ABERDEEN ANGUS.

An improvement in numbers this week and what a trade to match! Demand remains out of this world with a great turnout of regular and occasional buyers. Some strong reared types topped the day at £935 for Angus bulls from JE Thomas with Blue bulls from the same home to £850. Blue heifers at the same age sold to £780 with Lim females to £740 from Tim James at 6 weeks of age.

Some fantastic young fresh calves on offer selling to a sizzling trade. £680 was achieved by Alan Wainwright for a belting Angus bull while £665 was given for a cracking Lim from Hannah Edwards. Plenty of calves top side £600 with Richard Bowdler selling Blue bulls to £660 and £652. Demand for Angus was particularly high this week with 8 selling over £600 while Blue bulls returned an average of £486 for the 67 on offer. Plenty of Blue bulls £570-£600 with decent medium bulls around the £500 mark. Friesians as dear as ever with a strong weaned type to £400 from Gwynns Barn while fresh black and whites sold to £162 from PJ Hickson. Heifers saw plenty of competition throughout with Blue females most in demand with no end selling from £550-590 with a great run from Richard Bowdler dominating the headlines. All through they averaged £435 with the smallest in the £200-250 department looking perhaps the dearest. Angus heifers averaged £395 with the strongest from Tim James to £740 and to £720 from JE Thomas with several younger types trading very well.

Numbers needed for next week please to help satisfy travelling buyers and maintain the trade.

Please keep us up to date with your entries.

Another storming sale in the barren cow ring this week, slightly less on the big numbers from last week, but still selling to a fantastic trade all the way through. All the buyers there keenly wanting them as well as farmers keenly looking for any leaner types that would go on to fatten.

Top price per head of the day at £2,184 for an 8yr Fleckvieh cow
