A superb energy around the ring this week with a great entry of nearly 300 head selling to a phenomenal trade. Blue bulls led the way at £870 from DW David while all 72 Blue bulls on offer sold to average £570! Notable calves came from Will Davies selling to £745 as did Alan Wainwright both for fantastic bulls. Charolais bulls sold to £800 from CT Pain and also £700 from Peter Lloyd while Sam Windsor sold his smart Sim bull to £610. The best of the natives was a real trade selling to £720 from Tim James with Will Davies close behind at £675. Hereford bulls sold to £550 from WJF Lees while the best of the Stabilizer

bulls sold to £480 from Peter Loxdale.

Heifers just as sharp topping at £680 for a strong Angus from Tim James while Charolais sold to £630 from Will Davies with Tim again selling quality this time with Limousin heifers to £620 and £590. Of the 36 Blue females on offer this week they averaged £451 and topped out at £670 closely followed at £670 and £650 all of which were from Bowdler Farms while we saw 10 sell over £550 throughout the day. Young Hereford heifers sold to £390 with plenty of demand for the smaller and younger end of the market. Overall, a great day's trading, plenty of calves and plenty of buyers! Keep them both coming!!
