RECORD-BREAKING DAY AT SHREWSBURY!

What a Sale - The Biggest Machinery Sale held at Shrewsbury to date took place last Friday with records shattering and a good crowd held throughout the sale. Selling starting at 10:00am and did not finish until nearly 6:00pm with a whopping 80% clearance rate achieved on all lots. Some fantastic Prices achieved throughout the day with a top price of £57,000 for the 2010 Claas Lexion 570+ Montana Combine Harvester c/w Auto Contour & 25ft Corn Header from a farm just out of Shrewsbury. We also had the brilliant array of Implements from Hoof Trimming Ltd.'s Reduction Sale selling to £28,500 for the 2023 Kuhn Venta Combi Drill & Power Harrow, £28,000 for the 2023 Shelbourne Reynolds 3200 Muck spreader and £28,000 again for the 2019 K-Two Rodeo Compact & Push 200 Compact Trailer. The loading bays were filled with Tractors, diggers & loaders to the extent that another row had to be made back around the wash bays. A grand total of 400 x Lots of Machinery including: 37 x Tractors, Diggers & Loaders, 27x ATV's, Quads & Vehicles, 56 x Trailers & Trailed Implements, 280 x Implements and then 660 x Lots of Workshop Tools, Livestock Equipment and Building Materials. Records continue to be broken with the largest onsite collective machinery auction having taken place since the days of the old Forton Airfield Machinery Sale. The online Timed Sale has once again proved popular with another good run of items selling through the online platform gaining momentum. Halls would like to thank everyone that attended the sale for their support and custom. A Big Thank you also to all the staff that stayed late in order to get the lots loaded and invoiced.
