AUCTIONEER FOREWORD

Halls are privileged to host the Dispersal of Youngstock on behalf of Scott Farms Hanmer at Shrewsbury Auction Centre on Tuesday 18th August 2026 who are changing farming policy to a flying herd system.

The cattle are predominantly pedigree registered with the Holstein Cattle society under the Millsco Prefix the sale comprises 59 in calf/served heifers, in calf to Holstein or Hereford and 30 Bulling and Maiden heifers who are sired by leading bulls from Worldwide Sires.

The herd is milked twice a day and currently averages

9200kg 4.4%bf 3.4%ptn

While the herd has been bred to Holstein for several years the foundation was previously made up of Montbeliarde, and hence there are some exceptional cross bred individuals throughout.

You'll love these youngstock, they've been through the drought and in great condition, they are sure to do you well!

BVD screened Negative from a Welsh holding.
